

0.1 DMS-Statistics THESIS TEMPLATE

0.1.1 Requirements

It is assumed that you have installed

1. the latest version of R and Rstudio
2. the latest version of the R package `tinytex`. Otherwise install it using the following R lines.

```
install.packages("tinytext")
tinytex::install_tinytex()
```

0.1.2 Usage

1. Clone/download the repository.
2. Click `test_thesis_template.Rproj` redirecting you to your RStudio IDE.
3. On the Files Pane, click the `index.Rmd` file.
4. Build the book by pressing `Ctrl + Shift + B` in Windows
